

# How to Access Online Writing Homework/Test

## PARENTS/STUDENT GUIDE

### Overview

With Qs School's online learning system, you can access and do your writing homework and term test at home. This instruction is especially designed to guide you on how to use the online system effectively.

This online writing system also enables you to identify the next crucial step for your child - in order to unlock any hidden potentials and accelerate their personal achievements.

We are also excited to announce that our new system will allow teachers to share examples of excellent student writing each week. This allows all students to learn from these outstanding examples each week. Your child's writing might be the next great example!

Choose the 'Week 6 Writing Task' and click 'Start', you can see the writing topic on top and can type in the box blow.

Topic: Does learning to play an instrument improve student focus in the classroom?

You should have already set out your reasons and decided what side of the argument you will be taking. Remember to use definite, strong language and let your reader know that your opinion is correct, and they should begin believing whatever you have to say. Write your 'introduction' on a loose piece of lined paper ready to hand up to your teacher next week. Make sure you include your name, date and title for your piece.
