How to download and submit your test answer sheet

1 To access & download Qs special designed answer sheets

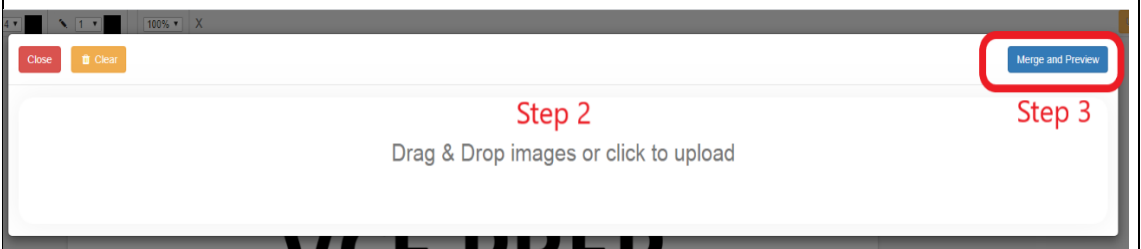

Please click **"Answer Sheet"** on the top of right corner to download the answer sheet.

2 Please answer all questions and write all answers onto the answer sheets. Take pictures of each page and click **"Upload"** to drag in your pictures as instructed below;

3 After all answers are uploaded, please press **"Merge and Preview"** as Step 3 shown below. System will automatically merge all uploaded pictures into one PDF file.

4 Please wait until the images have been successfully merged and the quality of PDF is acceptable, then click **"Submit"** to submit the answer. Or click **"Clear"** to empty the box and re-upload images.

How to check test results and review marked answer sheets.

To access your *Mock Test* results and marked test answer sheets

- 1 Choose the 'Year' and 'Term' of the test you wish to review, then press 'Search'
- 2 Click on the '**RESULTS**' tab to review the details of your marked test, teacher comments and your score.
